ADDENDUM NO. 1

This addendum shall form part of the Request for Proposals. Failure by any proposer to acknowledge receipt of this addendum in its proposal shall be grounds for disqualification of its proposal.

Attached and made part of this addendum are the pre-proposal conference minutes with the attendance noted therein for the meeting that was held on December 16, 2009, at 9:00 a.m., at the Division of Highways Building, Room 201, Department of Public Works.

The following questions were received at the pre-proposal meeting:

- 1. Can we have copies of the 2004 Bridge Assessment Report?

Response: We do not have a copy of the 2004 report available. The 2006 Bridge Assessment Report can be downloaded from the following ftp site:

<https://ftp.pbworld.com/GetFile.aspx?fn=1610668406.zip>

- 2. Should the design require acquisition of private property for ROW, will that be acceptable?

Response: Acquisition of private property is required for this project and it is acceptable.

No questions were received after the pre-proposal meeting.

- END OF ADDENDUM -

MEETING MINUTES:

The pre-proposal meeting began with Harold Tye welcoming attendees and requested attendees to introduce themselves, and to identify what company they represented. Harold Tye explained the purpose of the pre-proposal conference and that DPW,/PTG and PB welcomes the business community's input/suggestions regarding improvement of the Procurement process. Harold explained that he advised participants that if their company was not successful they are advised to ask for a debriefing.
