

**Response to Questions**  
**Request for Qualifications for Design-Build Services For Two Projects:**  
**Route 11 GU-NH-0011(007)**  
**Agana River Bridges Replacement GU-NH-0001(014)**

No.	Date	Question	Response	Response Date
1	4-Apr-10	After we have qualified for the SOQs, would it be possible to participate in the bid with only one project?	Yes. Clarified in Addendum 1.	5-May-10
2	12-Apr-10	If submitters need to satisfy both projects in order to qualify as a submitter or, if the Submitter may submit the Request for Qualification specifically for Route 11 Reconstruction Project only.	Clarified in Addendum 1. A SOQ shall be submitted for each project that a Submitter wishes to pursue.	5-May-10
3	12-Apr-10	If given a chance to be qualified to both projects, is it mandatory for us to submit a proposal on the two projects or we may also elect to submit a proposal to either of the two.	Clarified in Addendum 1. A SOQ shall be submitted for each project that a Submitter wishes to pursue.	5-May-10
4	12-Apr-10	Noted that this RFQ is in coordination with the FHWA as stated on Section 1.1, please advise if these projects will be 100% federally funded.	These projects are funded through the Department of Defense (DoD) and the Federal Highway Administration.	5-May-10
5	12-Apr-10	Reference 7.0 SOQ Content and Evaluation Criteria Section 7.7.2 Requirements of Financial Information Performance and Payment Bond, please confirm if sureties of all bonds will be limited to using United States Department of Treasury listed as "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and Acceptable Reinsuring Companies".	Confirmed. The following language will be added to the RFQ in Addendum No. 2: <i>The sureties of all bonds must be in conformance with FAR Part 52.228-15.</i>	5-May-10
6	16-Apr-10	Section 7.5 Key Personnel : Design Manager:  1) Can this be an entity/design firm licensed to do business in Guam? This would follow that , if it is an entity, the actual person who will be assigned to the the desin work can be designated when the design work starts.  2) If a company has an in-house design team but not license in Guam, can that company just hire the service of a Guam License Designer for the purpose of reviewing, signing & putting seal on the work of the in-house design team.	1) The Design Manager is an individual, similar in nature to the Project Manager. Section 7.5 requests information on the individual people for the three Key Personnel listed.  2) All design plans must be stamped and signed by a Guam licensed engineer in conformance with the PEALS requirements.	5-May-10

No.	Date	Question	Response	Response Date
7	16-Apr-10	<p><i>Carry over question from webinar (question 25):</i>            Surely, company rating can be related by other company aside from A.M. Best company with A-rating as minimum. Can we have other compaines or equivalent, such as Moody's A3?</p>	<p>Yes. The language in RFQ Section 7.7.2 will be revised by Addendum No. 2 to the RFQ. The revised language will include an "or equivalent" clause following the A.M. Best Co. "Best's Rating" of A- or better.</p>	5-May-10
8	23-Apr-10	<p>Will the financial reporting in the SOQ require a bid bond of the full 20 and 25M or will it be a bid bond for the percentage amounts listed in the directives set at 3.75 and 3M?            For quick reference, the figures we are referring to are on page 16 of the packet.</p>	<p>RFQ Addendum 1 (April 20, 2010) included a revised estimated cost range for the Route 11 project (Section 4.1) and a corresponding reduction in the bond amounts shown in Table 7.8.</p> <p>Section 7.7.2 of the RFQ requires the submittal of a <u>letter (not a bid bond)</u> from a surety or insurance company stating that the Submitter is capable of obtaining bonds <u>in the amounts shown in Table 7.8 (as amended by Addendum No. 1)</u>.</p> <p>The actual bid bonds will be submitted with the Proposal (next step in the procurement process). The bond amounts will depend on the Proposer's final bid amount, and shall be in conformance with Section 102 of the FHWA Standard Specifications for Construction of Roads and Bridges on Federal Highway Projects FP-03.</p>	5-May-10
